To edit the facility, click on the **pencil icon** next to the facility.

The screenshot shows the DISH POS v3.80.0 interface. The top navigation bar includes the logo, the user name '(V) Demo DE Video', 'Dish Support', and the email 'dish\_de\_video@dish.digital'. A sidebar on the left contains a 'Minimise menu' button and a list of menu items: Dashboard, Products, Finance, General (selected), Production stations, Facilities, Cash stores, Printers, App links, Table map, Users, User groups, POS devices, Courses, Customers, Currency, Turnover categories, Customer displays, Translations, and Packaging profiles. The main content area is titled 'Facilities' and features a search bar, two buttons ('+ Generate area' and '+ Add facility'), and a warning message: 'Warning: if you order by QR code via the CMS; be aware that QR codes are associated with points of sale. The QR codes created cannot be reallocated to another point of sale.' Below the warning is a table with one entry: '(V) Demo DE Video', which has a pencil icon next to it for editing.

Once done, a contextual window will pop up. Here, check the setting called **Digital Receipt**.

The screenshot displays the 'Edit point of sale' interface in the DISH POS v3.80.0 application. On the left is a dark sidebar menu with options like Dashboard, Products, Finance, and General. The main area shows the 'Edit point of sale' configuration for a point of sale named '(V) Demo DE Video'. The configuration is divided into several sections: 'Numbers / Description' (Receipt printer), 'References' (Price level), 'Settings', and 'Identification'. In the 'Settings' section, the 'Digital receipt' option is checked and highlighted with a red box. Other settings include 'Visible in app' and 'Price incl. VAT', both checked, and several unchecked options like 'Inherits settings', 'Pop-up of new order text', 'Use take away number', 'Automatically log out after ticket', and 'Automatic ticket printing'. The 'Identification' section shows 'Your reference' and 'ID' both set to '1'. At the bottom, there are 'Cancel' and 'Save' buttons.

To save your changes, click on **Save**,

Next, go to the sub-menu **General**.

The screenshot displays the DISH POS v3.80.0 interface. At the top, the header includes 'DISH POS v3.80.0', '(V) Demo DE Video', 'Dish Support', and a user profile 'dish\_de\_video@dish.digital'. A left-hand sidebar menu is visible, with the 'General' sub-menu highlighted by a red box. The main content area is titled 'Facilities' and features a search bar, two buttons ('+ Generate area' and '+ Add facility'), a warning message, and a list of facilities including '(V) Demo DE Video'.

Click on the **edit icon** next to your store.

Here, you can upload a logo by clicking on **browse** under **Logo for digital receipt**.

The screenshot displays the 'Settings' window in the DISH POS system. On the left is a sidebar menu with 'General' selected. The main settings area includes fields for 'Name' (Demo DE Video) and 'Language' (German). Under 'Production ticket settings', there are sections for 'Shared product details', 'DISH POS payment QR ticket settings', and 'Printer selection' (set to 'POS device printer'). The 'Logo for digital receipt' section features a dashed box with an upload icon, supported file types (.png, .jpg, .jpeg, .svg, max 1 MB), and a 'Drop your file here or browse' button. A file named 'Juan.png' (5.6 KB) is shown below. At the bottom are 'Cancel' and 'Save' buttons.

Once your logo is uploaded, click on **Save**.
