  • See “Parent Portal Resources” at end of document. |
| SE33     | Participate in activities that are challenging but within their reach | Personalized instruction enables students to progress through the sequence at their own pace, offering more challenging activities when they are ready. Engaging activities throughout Waterford hold children’s attention as they concentrate on each task. Support provided can range from repeating instructions to offering encouragement and visual clues to step-by-step, follow-me directions. |
| SE34     | Assume a role in determining how they will learn | Waterford’s digital sequence combined with Parent Resources offer children verbal, visual, aural, and kinesthetic experiences providing options for learning.  
  • See “Parent Portal Resources” at end of document. |
| SE35     | Participate in meaningful responsibilities | • Clubhouse  
  • Boo Hoo Baby |
| SE36     | Explore and participate in activities and materials designed to build understanding of individual characteristics and of diversity in culture, family structure, ability, language, age and gender in non-stereotypical ways | Waterford is committed to creating a diverse learning experience that connects with early learners from all backgrounds. One example is Native Language Support. When this feature is enabled and students click Repeat during an activity, they hear the instructions in their primary language and then they hear the instructions again in English. |
| SE37     | Be a part of the classroom community so that each child feels accepted and gains a sense of belonging | • Clubhouse  
  • My Name Is Squirrel |

FAMILY ENGAGEMENT RESOURCES

Family engagement resources are constantly being created, updated, and modified according to the needs of Waterford UPSTART families. Please visit Waterford Mentor to see the most current resources and activities.

WATERFORD MENTOR

Waterford Mentor is a secure website where Waterford UPSTART families log in to see their child’s usage and learning achievements. Families also receive short messages with ideas on how to engage in their child’s learning and have access to hundreds of resources and activities.

The Waterford UPSTART Activity Books are available to many families. These books include resources designed specifically for young children as well as family activities for reading, writing, math, and science. All activities in the Waterford UPSTART Activity Book are available online at Waterford Mentor.
