

Describe familiar people, places, things, and events and, with prompting and support, provide additional detail.

My Favorite Things

Ask students to describe their favorite place, person, thing or event. Encourage them to add details to their description. Have students ask each other questions to add details.

Ask students how they feel about what they described.

After they've talked about their favorite place, person, thing or event, have them draw a picture showing the details they talked about.
