The screenshot shows the boooq v2.24.2 interface. The top navigation bar includes the boooq logo, the text "boooq Demo EN", and a user profile icon labeled "Demo boooq". A sidebar on the left contains a "Minimize menu" button and a list of menu items: Dashboard, Articles, Products, Product groups, Price levels, Menus, French menus, Option menus, Time periods, Finances, General, and Payment. The main content area is titled "Products (1 products)" and has tabs for "General" and "Allergens". Below the tabs is a search bar containing "Bowl + Topping" and a "Product group" dropdown set to "All". To the right of the search bar are buttons for "Show 50 records", "Filter", "Columns", and "+ Add Product". Below the search bar, a "SELECTED FILTERS (1)" section shows "Search query = Bowl + Topping". A table below displays the product details:
