

Click on **+ Add course**.

The screenshot shows the 'Courses' management interface in the booq v2.24.2 application. The page title is '(V) booq Demo EN'. The left sidebar contains a 'Minimize menu' button and a list of navigation items: Articles, Finances, General (selected), Production stations, Facilities, Cash stores, Printers, App links, Table map, Users, Usergroups, POS devices, Courses, Customers, Currencies, Turnover groups, and Package profiles. The main content area is titled 'Courses (5 courses)'. It features a table with columns for ID, Name, Sort order, Show in app, and Production ticket text. The table contains five rows of course data. A '+ Add course' button is located in the top right corner of the table area, highlighted with a red box. The page also includes a 'Show 50 records' dropdown and a pagination indicator '1' at the bottom.

Confirm the deletion by clicking **Ok**. That's it. You're done.

The screenshot shows the 'Courses' management interface in the booq application. A confirmation dialog is displayed in the center, asking 'Are you sure to delete the selected item?'. The dialog has two buttons: 'Ok' and 'Close'. The 'Ok' button is highlighted with a red square. The background shows a table of courses with columns for ID, Name, Sort order, Show in app, and Production ticket text. The table contains 6 courses, with the last one, 'Main Dishes', selected.
