

Open the **platform** and click the **arrow** next to HD Video Demo English to see which area exists.

The screenshot displays the 'Facilities' management interface in the booq v2.25.0 application. The top navigation bar includes the version number, the current demo environment '(V) booq Demo EN', and a user profile 'Demo booq'. The left sidebar menu is expanded to show the 'General' category, with 'Facilities' selected. The main content area features a search bar, two action buttons ('+ Generate area' and '+ Add facility'), and a warning message: 'Be extra careful when you use QR ordering through CMS; QR codes are linked to facilities. Once created, these QR codes cannot be reassigned to a different facility.' Below this, a table lists facilities, with 'HD Video Demo English' highlighted and a dropdown arrow icon next to it.

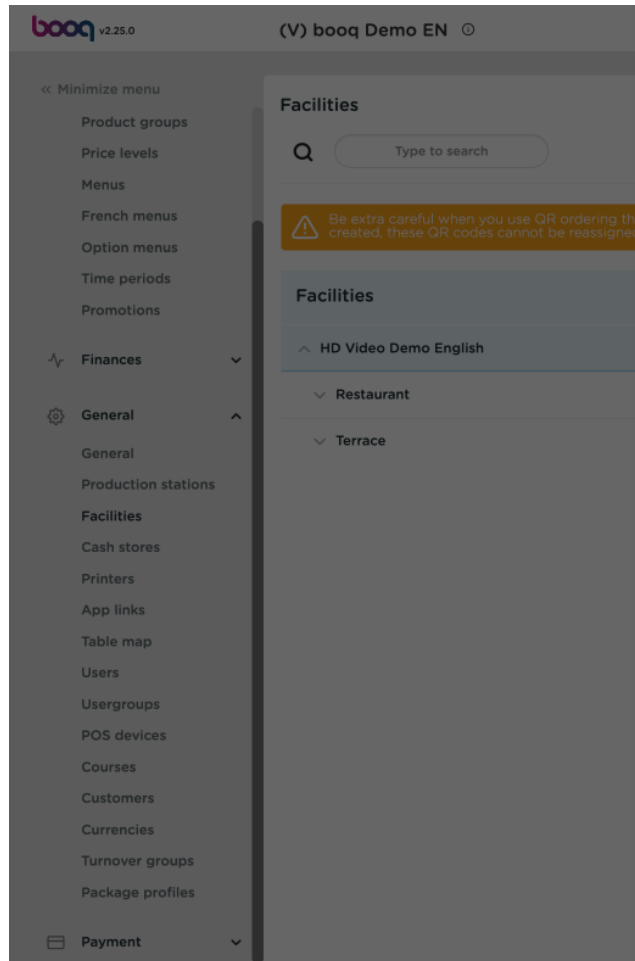

Click on **Generate area**.

The screenshot shows the boooq v2.25.0 interface. The top navigation bar includes the boooq logo, the text "(V) boooq Demo EN", and a user profile icon labeled "Demo boooq". A left sidebar menu lists various categories: "Minimize menu", "Product groups", "Price levels", "Menus", "French menus", "Option menus", "Time periods", "Promotions", "Finances", "General" (highlighted with a gear icon), "Production stations", "Facilities", "Cash stores", "Printers", "App links", "Table map", "Users", "Usergroups", "POS devices", "Courses", "Customers", "Currencies", "Turnover groups", "Package profiles", and "Payment".

The main content area is titled "Facilities" and features a search bar with the placeholder text "Type to search". In the top right corner of this area, there are two buttons: "+ Generate area" (highlighted with a red box) and "+ Add facility". Below the search bar is a yellow warning banner that reads: "Be extra careful when you use QR ordering through CMS: QR codes are linked to facilities. Once created, these QR codes cannot be reassigned to a different facility." Below the banner is a table of facilities:
