

(i) You can also use a NFC card to login, your device has to support this. If you have a supporting device tag the NFC card to the reader on the device.

() Add the waiters login code by clicking on the numbers.

## i Click on LOGIN.

()

boog

Select a drawer. Note: After the first login you need to select a "drawer" all turnovers are stored on this drawer. So even if you don't have a drawer you have to select this.

Choose a drawer
