

Open de menu-instellingen in de app en tik op **Instellingen**.

 Tik op **Invoerinstellingen** om door te gaan .

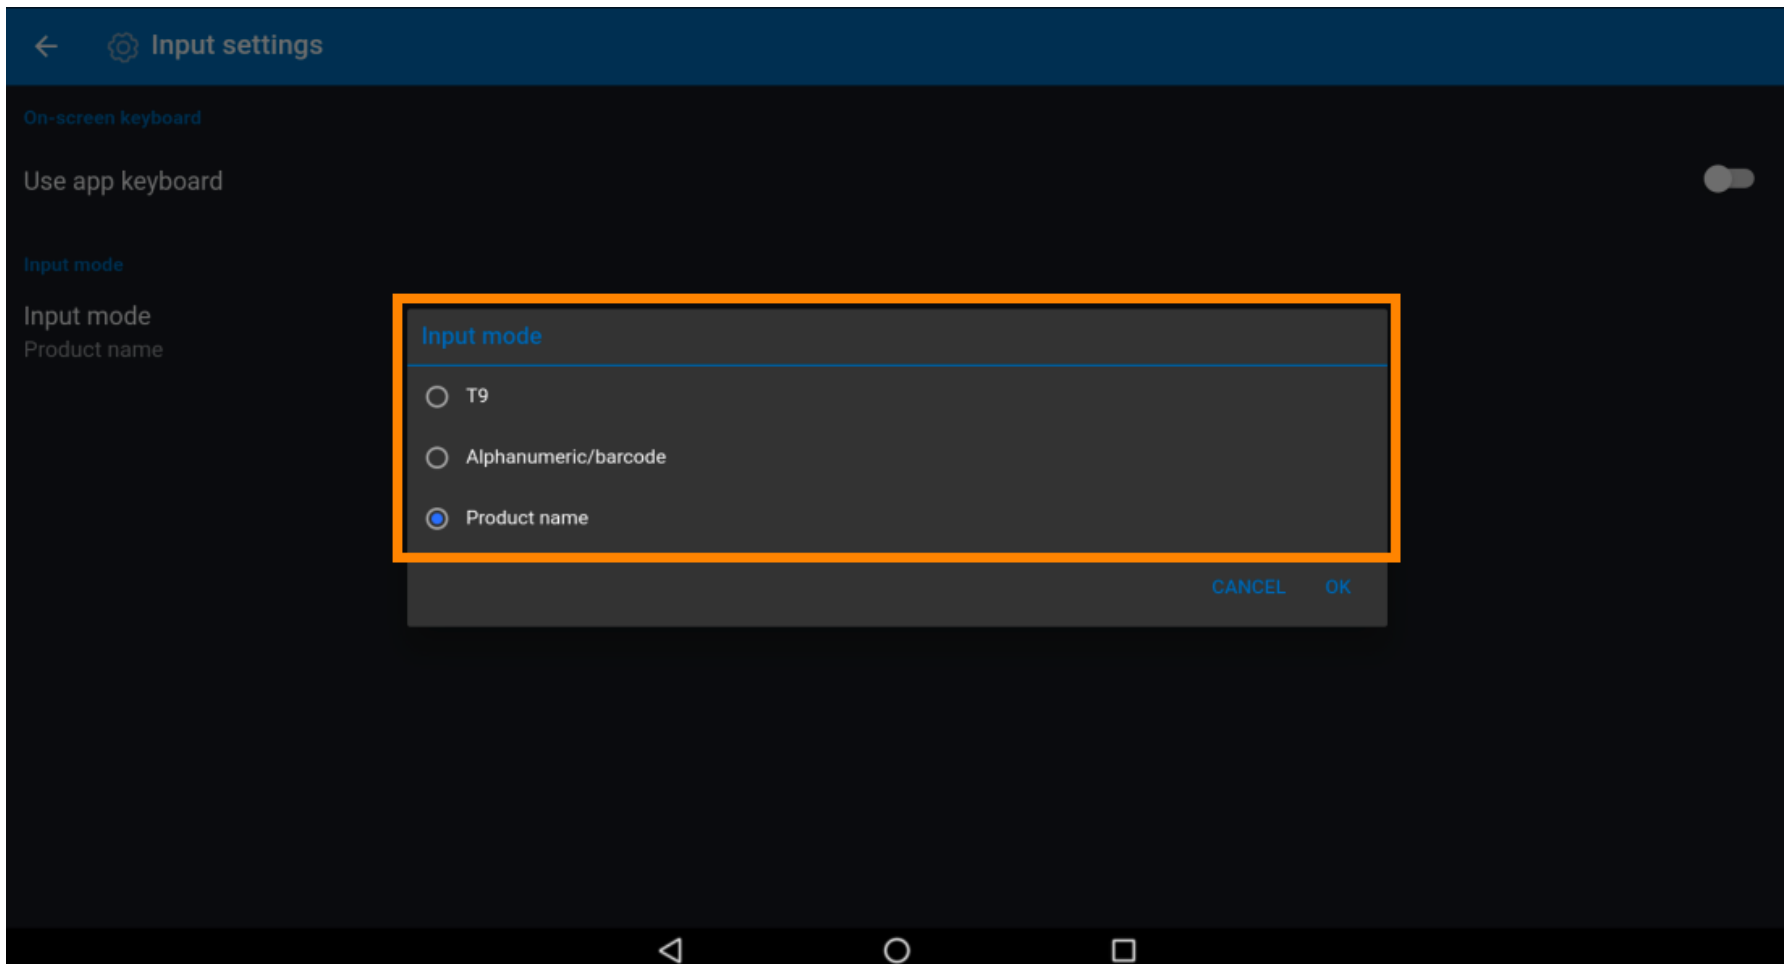

Selecteer nu **Invoermodus** .

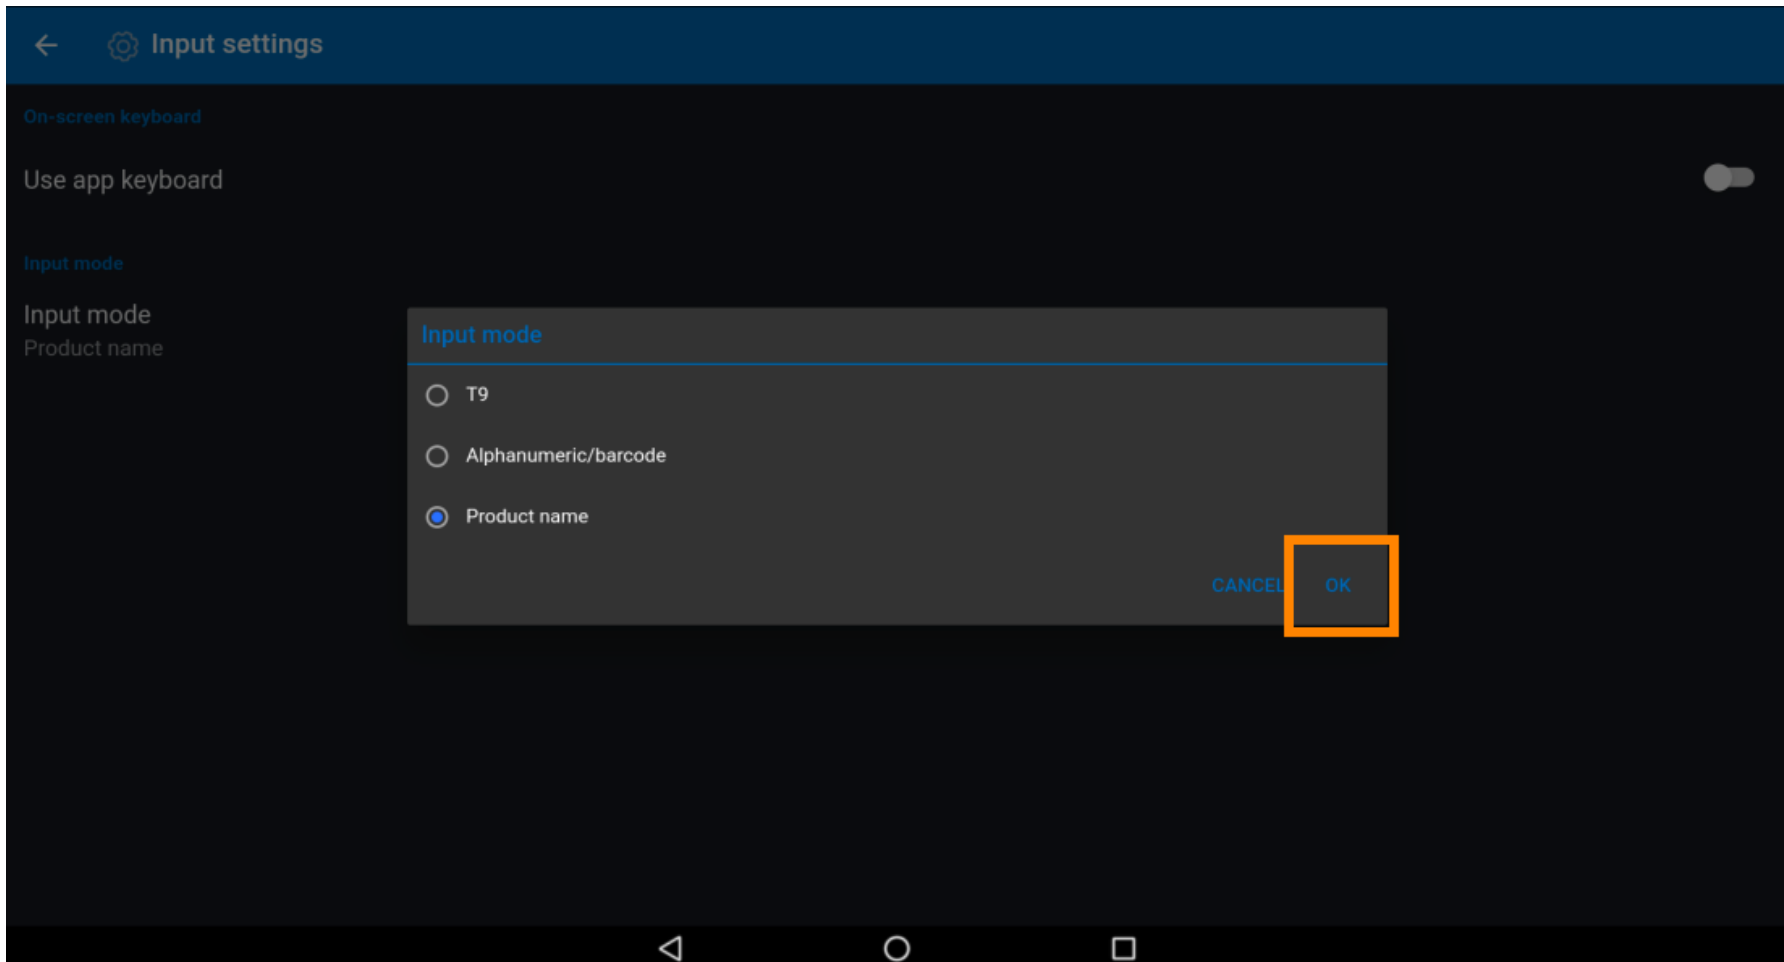

Hier kunt u uw **invoermodus instellen**, hoe u de producten in de app wilt invoeren. Ofwel via de productnaam, QR-code e barcodescanner of de T9, dwz de PLU-nummers.

 Tik **OK** om de wijzigingen op te slaan. Dat is het, je bent klaar.
