

Prodigi Challenge Reflection Sheet

Name: _____ Date: _____ Class Name: _____

The learning intention for this activity is:

- TIPS:**
1. If you haven't earned a medal yet, play at least 2 more times.
 2. After each time you play, review incorrect answers and the ones you used a *free* solve to see the way to find the answer.
 3. In the table below, copy the questions you answered incorrectly and show the correct way to work it out. Explain how your thinking changed and if you still need help.

What's your goal for this challenge? (Circle)

-  **B** Bronze – answer 4+ Hard questions correctly
-  **S** Silver – answer mostly Extreme questions correctly
-  **G** Gold – answer all Extreme questions correctly

After 3 plays, what was the highest medal you earned? 

Copy the question and show how to solve using pictures/diagrams, words, and/or maths

How has your thinking about the problem changed? What do you notice and wonder?

Copy the question and show how to solve using pictures/diagrams, words, and/or maths	How has your thinking about the problem changed? What do you notice and wonder?
