Third Party Services information for parents – Mangahigh

Dear Parents / Guardians,

Our school provides access to Department of Education online services. These enhance the contemporary learning opportunities available to students and the range of teaching tools available to staff to deliver the Queensland Curriculum. I am writing to seek approval for your child to be given access to **www.mangahigh.com** – a games based learning online platform for learning maths.

Registering with Mangahigh requires student personal information to be disclosed. Information is hosted outside of Australia, which means that data that is entered to register for Mangahigh will be stored on servers that are not based in Australia and therefore are not bound by Queensland's privacy laws. Registration will include disclosing the following information about your child:

- Student Name
- Year Group
- Class Teacher
- Age

Mangahigh has been reviewed for quality and security prior to being considered. We are confident that it poses minimal risk to our students. However, before you complete this consent form it is important that you understand the reason why Mangahigh collect this information, what will be done with it, who else may have access to it and where the data is stored. This information can be found on: <https://app.mangahigh.com/about/termsandconditions>

Your child will not be able to access Mangahigh in class if the permission form is not returned.
